

# The Importance Of Christian Stewardship

## T.A. Kantonen

Spiritual Disciplines for the Christian Life Donald S. Whitney (Professor),2014 Drawn from a rich heritage, *Spiritual Disciplines for the Christian Life* will guide you through a carefully selected array of disciplines. By illustrating why the disciplines are important, showing how each one will help you grow in godliness, and offering practical suggestions for cultivating them, *Spiritual Disciplines for the Christian Life* will provide you with a refreshing opportunity to become more like Christ and grow in character and maturity. Now updated and revised to equip a new generation of readers, this anniversary edition features in-depth discussions on each of the key disciplines.

The Spirit of Service Julia Tolman Lee,2009-04 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

The Fear of Beggars Kelly S. Johnson,2007-05-29 Why, asks Kelly Johnson, does Christian ethics so rarely tackle the real-life question of whether to give to beggars? Examining both classical economics and Christian stewardship ethics as reactions to medieval debates about the role of mendicants in the church and in wider society, Johnson reveals modern anxiety about dependence and humility as well as the importance of Christian attempts to rethink property relations in ways that integrate those qualities. She studies the rhetoric and thought of Christian thinkers, beggar saints, and economists from throughout history, placing greatest emphasis on the life and work of Peter Maurin, a cofounder of the Catholic Worker movement. Challenging and thought-provoking, *The Fear of Beggars* will move Christian economic ethics into a richer, more involved discussion.

**Kingdom Stewardship** Tony Evans,2020-01-07 In *Kingdom Stewardship*, Dr. Tony Evans inspires you to broaden your perspective of Christian stewardship. In this encouraging and challenging book, you will learn that stewardship includes how you manage all that God has given you—your time, your talents, and your treasures—to advance God’s kingdom and bring Him glory. While many stewardship books focus on managing financial resources, Tony Evans says that your finances are one small part of a much bigger calling. He teaches that God owns all things, and you are the manager of His assets. When you bring your entire life into alignment under God, you will be blessed with purpose and the abundant life that comes from living

by God's eternal principles.

Reformation Study Bible-ESV Robert Charles Sproul, Keith A. Mathison, 2010-11-01 More than fifty scholars, under R. C. Sproul, collaborated to produce this study Bible to help readers understand the great doctrines of the Christian faith. Published by Ligonier Ministries, trade distribution by P&R Publishing.

*The Care of Souls* Harold L. Senkbeil, 2019-06-26 Drawing on a lifetime of pastoral experience, *The Care of Souls* is a beautifully written treasury of proven wisdom which pastors will find themselves turning to again and again. Harold Senkbeil helps remind pastors of the essential calling of the ministry: preaching and living out the Word of God while orienting others in the same direction. And he offers practical and fruitful advice born out of his five decades as a pastor that will benefit both new pastors and those with years in the pulpit. In a time when many churches have lost sight of the real purpose of the church, *The Care of Souls* invites a new generation of pastors to form the godly habits and practical wisdom needed to minister to the hearts and souls of those committed to their care.

**Stewards in the Kingdom** R. Scott Rodin, 2000-01-10 R. Scott Rodin unpacks a theology of the abundant life, which encompasses our world, life and possessions, and appropriately begins with the very being of the Creator.

Creative Stewardship Richard B. Cunningham, 1979

Kingdom Stewardship Group Video Experience Participant's Guide Tony Evans, 2020-01-21 In *Kingdom Stewardship*, Dr. Tony Evans inspires you to broaden your perspective of Christian stewardship. This encouraging and challenging participant's guide is designed to be used in a group, together with the DVD Group Video Experience and the book. You will learn that stewardship includes how you manage all that God has given you--your time, your talents, and your treasures--to advance God's kingdom and bring Him glory. While many stewardship books focus on managing financial resources, Tony Evans says that your finances are one small part of a much bigger calling. He teaches that God owns all things, and you are the manager of His assets. When you bring your entire life into alignment under God, you will be blessed with purpose and the abundant life that comes from living by God's eternal principles.

**A Theology for Christian Stewardship** T.A. Kantonen, 2001-11-28

**How Should I Think about Money?** R. C. Sproul, 2019-03-14 Jesus taught more often on money than He did on love or on heaven and hell combined. Why? It's because money is one of the chief competitors for our affections. He warned, You cannot serve God and money. How, then, should we view and use money? How should we understand and participate in the economy? In this booklet, Dr. R.C. Sproul offers much-needed biblical answers to these questions, and in so doing, he provides clarity as to how being good stewards of our money honors God. The Crucial Questions booklet series by Dr. R.C. Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers.

**Stewardship Roots** Angel M Rodriguez, STEWARDSHIP ROOTS STW 1050 by Angel Rodríguez, former Director of the

Biblical Research Institute, is the Church's effort to articulate a theology of stewardship, tithe and offerings respectively. Your thinking will be stimulated and your spiritual life enhanced. It is a good reference work for your stewardship certification course.

Giving Together Carol A. Wehrheim,2004-01-01 In her follow-up to *Getting It Together*, Carol Wehrheim presents a concise, accessible resource to help families better understand the importance of stewardship: in the family, in the congregation, in the community, and in the world. Reminding us that stewardship is about much more than money, Wehrheim clearly illustrates a more holistic understanding of the concept to include careful consideration of the choices we make that show the role Christian discipleship plays in our lives. She skillfully analyzes biblical passages and identifies spiritual practices intrinsic to stewardship as a way of helping families respond to their call to be stewards in today's world. Including both a participant's section and a leader's guide, *Giving Together* is ideal for group or family study.

**Financial Stewardship** Andrew Wommack,2012-05-01 Best-selling author Andrew Wommack shares his personal story of when he was young and strapped financially. God taught him how to have abundance in the area of finances. Andrew discusses the influence of money in our lives and how it is very real. He teaches that Jesus taught more about managing resources than He did on prayer or even faith. He exposes the manipulation that sometimes goes on with Christian ministers and how you can be immune from it. Andrew Wommack's message is clear that even though there are abuses in the body of Christ regarding money, that you can still benefit from the truths in God's Word about finances. He believes that by fixing your heart that you deal with the root cause of financial situations and then money will take care of itself. Once your heart is right, using wisdom in how you spend your money comes naturally.

*The Steward* Douglas John Hall,2004-07-21 The biblical image of the steward is highly provocative and even revolutionary. In recent years, environmentalists and peace marchers have been discovering the radical potential of the stewardship motif, while the church, sadly, has muffled this symbol's power in ecclesiastical wrappings. So writes Douglas John Hall in the first edition of *'The Steward'* (1982). This provocative book has been so much in demand all over the world that Hall has completely rewritten, revised, and expanded his work, adding new material and deleting dated references. Yet Hall has kept his original book's basic format the same in this new and improved edition. In short, Hall aims to recapture the most basic meaning of the biblical metaphor of the 'steward' and to apply that meaning to our social context, one in which human beings are confused and ambivalent about their place and vocation in a threatened world. Working from numerous angles - biblical, historical, sociological, theological, and ecclesiastical - Hall explores the rich meaning and implications of stewardship. Scripture portrays the steward as a caretaker and servant. Hall compares scriptural teaching on stewardship - concentrated in Jesus' parables - with the role of stewardship in the church's history, maintaining that ever since the fourth century, the church's understanding and practice of stewardship have been distorted by its alliance with institutional power.

Hall also puts forth apocalyptic warnings about the fate of the earth unless we heed the call to be stewards of the creation, work for world peace and justice, and nurture life in its many forms. The church around the world, says Hall, urgently needs to live as 'steward' - it is a matter of death and life.

God and Money Gregory Baumer, John Cortines, 2016 Two young Harvard MBAs on the fast track to wealth and success tell their story of God's transforming power and how Scripture brought them to the startling conclusion that they should give the majority of their money away to those in need. Packed with compelling case studies, research, and practical strategies, God and Money offers an honest look at what the Bible says about generous giving. No matter what your salary may be, God and Money shows you how you can reap the rewards of radical generosity in your own life.--from publisher description.

**The Grace of Giving** Stephen F. Olford, 1972 (Revised edition) A straightforward, encouraging, and practical discussion of the biblical imperatives for--and the immeasurable blessings of--generous financial stewardship.

The First and Finest Rev. Fr. Robert Holet DMin., 2013-11-13 The First and Finest: Orthodox Christian Stewardship as Sacred Offering explores the rich biblical and historical themes of Christian stewardship from an Eastern Orthodox perspective, drawing insights from themes in the Old and New Testaments and ancient Christianity. The study of stewardship in Church history reveals how contemporary concepts of the 'religious economy' impact how and why Christians exercise stewardship today. The premise for this study - that Orthodox stewardship is centered in the priestly offering of Christ and His followers who comprise His Church - helps Christians today to differentiate the holy way of Christian offering from false or misguided concepts of stewardship and offers suggestions for ways in which church communities can rediscover the richness of these insights from the ancient, Orthodox tradition. This study is intended to challenge every reader to consider whether he or she offers his or her first and finest to the Lord, and encourages parishes to exercise stewardship as an act of divine worship in the service of God and the poor.

**A Workbook on Biblical Stewardship** Richard E. Rusbult, 1994 This workbook presents a vital and transforming understanding of kingdom stewardship that considers not just money but all aspects of God's created order: time, physical resources, spiritual gifts, relationships, the gospel message, and life itself. Provides practical, thought provoking material for individual and group study.

**Beyond Stewardship** David P. Warners, Matthew Kuperus Heun, 2019-06 Beyond Stewardship is intended to equip Christians to live better in this world by helping us all think more intentionally about the relationship we have with the nonhuman creation in which we are necessarily and thoroughly embedded. It responds to these questions: What if God didn't place humans on earth to be stewards of creation, but something else? and if not stewards, then what? The chapters in Beyond Stewardship are written by scholars from diverse disciplines who share a deep passion for a flourishing creation. Each chapter begins with a compelling story that draws the reader into new ways of thinking. Each author then looks beyond

stewardship from the context of her or his own discipline and experiences. Some reimagine creation care by expanding on the traditional notion of stewardship. Others set aside the stewardship model and offer alternative ways to understand our presence within the broader creation. The chapters mark out ways to live better in the places we inhabit as individuals, communities, and institutions. Collectively, the essays in Beyond Stewardship offer an expanded and enlivened understanding of the place of humans in the context of God's creation.

Delve into the emotional tapestry woven by Emotional Journey with in Experience **The Importance Of Christian Stewardship** .
